BILLING CODE 6717-01-M

[Docket No. CP97-67-000]

Trunkline LNG Company; Notice of Application

November 1, 1996.

Take notice that on October 25, 1996, Trunkline LNG Company (Trunkline), P.O. Box 1642, Houston, Texas 77251-1642, filed an application with the Commission on Docket No. CP97-67-000 pursuant to Section 7(c) of the Natural Gas Act (NGA) for a certificate of public convenience and necessity authorizing the purchase of a leased 1,750 horsepower compressor unit, all as more fully set forth in the application which is open to the public for inspection.

Specifically, Trunkline proposes to purchase an electric-driven 1,750 horsepower compressor unit, currently leased by Trunkline, which was acquired as a replacement for a gas-driven 1,000 horsepower compressor unit it had leased pursuant to authority granted by the Commission in its order dated November 14, 1989 in Docket Nos. CP87-418-000 and CP89-1499-000.

Any person desiring to be heard or to make any protest with reference to said application should on or before November 22, 1996, file with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.211) and the Regulations under the National Gas Act (18 CFR 157.10). All protests with the Commission will be

considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the NGA and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that permission and approval for the proposed certificate are required by the public convenience and necessity. If a motion for leave to intervene is timely filed or if the Commission on its own motion believes that a formal hearing is required, further notice or such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Trunkline to appear or be represented at the hearing.

Lois D. Cashell,
Secretary.
